Job Title Magic Valley Gem Club Program Saturday Training Specialist

Reports to: President, Executive Board, and General membership

Job Overview:

Over-see a program which includes the following: membership instruction in all skills of our hobby.

Saturday Training Specialist –Provide all day training for members who wish to learn a rock related skill. Training will allow members to be exposed to a lecture, show and tell type of experience.

Demonstrations should include some limited hands on experience if practical.

This training will normally be held after a brief exposure to the skill was made at the Club Meeting.

The intent is to encourage the members to commit further to investing time and monies into the hobby.

Multimedia presentations, demonstrations, speakers, and skills teaching are yours to choose.

Keep within the yearly budget given you.

A mentors program will be associated with various skills where : individual member will get one-on-one instructions after acquiring needed equipment.

Each club member is different and may or may not participate in all projects. (That's Okay)

Work with club members to accomplish the assignments.

Duties:

You must accomplish a lot in a short time period. However, your job is to present a hands-on experience into various skills and areas of knowledge. If a club member wants more then they may contact your presenters for some one-on-one time and learning...This is what we hope will happen.

Suggested Topics: Tumbling stones, Cabbing, Faceting, Silver Smithing, wire wrapping, drilling stones, cutting, selecting proper material, Flint Knapping, Spear making, beading, and all the others skill one needs to know to be a rock hound.
