

## MAGIC VALLEY GEM CLUB

April 1, 2021

Friends,

It is Spring and I hope you have managed it through OK. Many have received their Covid shots and are itching to get back into the field. We will have our first meeting the third Thursday of April at the American Legion Hall 7:00 pm (April 15<sup>th</sup>). Please observe social distancing and masks. We will not be having snacks. The agenda will include discussing the activities we want to accomplish. We would like to make our first trip to the Little Wood River. Please bring your ideas and desires for our club. We will follow an orderly process respecting everyone's Voice. If you want to see something done, make a Motion! We need someone to step up for the Secretary position on the Board. Not a big job but would alleviate others. Let's all jump in and make it a great year!

Sincerely,

Randall DeBoard  
President
