

MAGIC VALLEY GEM CLUB

JULY 2, 2021

Friends,

I wanted to thank those members attending the last meeting. We had a productive meeting and shared some great ideas for upcoming meetings. This upcoming meeting (Saturday, July 17, 6:30 p.m.) at Tonys Rockpile , Gooding. 1727 S. 2150 E. MVGC will be providing : Burgers, chips, condiments, bottled water, plates, utensils, napkins.

We will be publishing future Rock trips in Facebook with directions on our members website. We would like to develop a directory of members (if they desire) on the website to facilitate those who would like to reach a member. Future focus will be on developing our website.

Happy Hunting ,
