

# MAGIC VALLEY GEM CLUB

Tuesday, February 8, 2022

Friends,

Greetings! I want to remind everyone of our meeting next Thursday, 17 February @7:00 p.m. at the American Legion Post. Even though it was snowing we had a good meeting discussing the Covid situation and our upcoming Gem Show in March. Things seem to be coming along there and finalization will be this upcoming meeting. This is an important event for the Club and we need a full participation of Members. This is why we are a club...we talk Rocks!

This year we have begun with a new dues structure. Every Member must sign up with the green form with the latest information and dues. We have in the past sent out over 60 Member notifications per month. If you want to be an ACTIVE Member and receive notification of meetings and events, please show up, pay your dues and actively support the Club. We are looking forward to seeing you at the next meeting on March 17.

Keep On Rockin,

Randy DeBoard
