***\*\*Must be postmarked by December 15, 2025\*\****

The kids in the Northwest Federation of Mineralogical Societies are really cool! You learn a lot about rocks, minerals, and fossils. You spend your time on field trips, in museums, doing lapidary projects, and helping at your rock shows. You are special to the NFMS!

*It is time to show you how important you are to the NFMS by creating a special patch just for all you juniors!*

***~~Prizes will be awarded~~***
