

Sam opened the meeting at 7:10 pm thanked everyone for their hard work at the show and what a successful show it turned out to be. He then introduced the new people to the meeting and welcomed them.

Andrew motioned to accept minutes Barbera 2nd the motion it was voted and approved.

Jon asked to have Metzler paid back for buying the security of the show breakfast. Sandy made a motion and Jim 2nd the motion.

Jon then went over the shows expenses and earnings Earl made a motion to approve the financial report Sandy 2nd it we voted and the financials where approved.

Jan let the club know about the Mcdermit field trip that will be April 25th-27th there is camping available for travel trailers for 40 dollars a night. There also was a discussion about hotel reservations that those who wanted could call and make.

The club has been invited to Tony's on May 17th with the Boise club for a day at the rock yard.

Chris thanked Everyone for the help with putting the show together she had a few concerns that needed to be addressed with the members there are no dogs allowed at the show and guns need to be concealed or left in your vehicle. It is too much of a liability to the club. Crafts need to be worked on throughout the year. If you are buying prizes, please let Chris know what you have got so there is some kind of idea as to what there is.

Chris also brought up show times and asked if we could set it to be 10-5 on Saturday and 10-4 on Sunday liz motioned for the time change Tony 2nd it club voted, and it was approved

Sandy jo gave federation news there show will be in Walla Walla September 5th-7th you will want to plan to reserve hotels.

Link is in there website

Magic valley meeting minutes March 20,2025

Blue ribbons coalition link is also on the federation website

Mike discussed fall show down payment has been made for October 18th
Friday we can setup from 4-6 the show will be from 9-5

Pete has been going online looking at other sites and seen they have
done a member of the month or quarter of the month there was a motion from
Andrew to table it and mike 2nd.

There was discussion about throwing away the old display black light cases
and new one to be built Tony made motion mike 2nd club voted and approved.

Drawing was done

Tony
